KENYA and SAM spill into the apartment with their lips locked. She pulls away and wipes her mouth.

KENYA

I wouldn't usually do this after a first date.

SAM

She smiles, reaching out for his hand to then guide him into....

2 **INT. KENYA'S APARTMENT. BEDROOM - EVNEING**

The pair enter the room. SAM sits on the end of her bed while she sifts through a cupboard draw. KENYA turns back to SAM and hands him two AMBER-COLOURED PILLS.

SAM

(Confused)

What are these?

KENYA giggles, joining SAM on the bed.

KENYA

Have you ever had sex with all your inhibitions stripped away?

SAM shakes his head, "NO". KENYA takes her pills and guides SAM's hand towards his mouth. He swallows the pills and they resume kissing.

3 **INT. KENYA'S APARTMENT. BEDROOM - NIGHT**

3

The floor is littered with clothes.

On the bed, SAM is on top of KENYA. While SAM looks involved in the moment, KENYA appears dissatisfied.

KENYA

Try choking me.

SAM stops.

SAM

Choking you?

KENYA grabs SAM and flips their positioning, she is now looming over.

KENYA

Like this.

SAM's face begins to turn red and his eyes water from the tight grip of Kenya. He attempts to say:

SAM

(muffled)

I can't breathe!
