

A MAN and WOMAN are sprawled on the bed under a disarray of sheet.

SAM (24), squints his eyes as they flutter open. Observing his unfamiliar surroundings, his gaze settles on KENYA (27) who is fast asleep next to him.

SAM is still observing her face when he notices that her lips have become discoloured.

A BEAT.

He looks down at her stomach that is NOT MOVING. SAM shoots up off the bed, looking down at her limp body.

SAM

Kenya?

SAM is pacing around the room. His heart is beating in his chest like a locomotive.

Sam looks PALE.

THUMP... THUMP... THUMP!

HE CLAMPS HIS CHEST AND GRIMACES. IT APPEARS SAM IS HAVING A HEART ATTACK.

SAM takes a moment to catch his breath. As he does, he collects his belongings and exits the room - glaring back at KENYA before closing the door.
